

Technical Support Specialist

The Company

IntelliFarms believes that farmers deserve a high tech supplier they can trust. The products and services they purchase from IntelliFarms are backed by our experience, our actions, and our commitment.

IntelliFarms believes that its employees deserve a company they can believe in. We offer every employee an environment of trust, of great challenge, and an opportunity to advance their careers.

IntelliFarms expects its employees to set and meet challenges, to constantly improve performance, to innovate, to never stop learning, and to work for everyone around them, including our customers.

Our Need

We are currently seeking a confident, outgoing, and detail-oriented person as a Technical Support Specialist working out of our Archie, MO offices.

The Technical Support Specialist will work directly with our customers and engineers to troubleshoot and resolve hardware and software issues.

Qualifications

- Strong problem solving skills.
- Ability to work independently.
- Good technical aptitude. Technical school graduates will have an advantage.

Education

High school diploma or GED minimum. We strongly prefer someone with a college degree or some college coursework, especially in a technical field.

Apply
